

DOMESTIC BUILDING INSURANCE CLAIM FORM

Important information

Please read this page first.

Making a claim

To help us process your claim quickly and accurately, please ensure that you:

- Answer all questions honestly.
- Tell us everything that you know about the claim.
- Cooperate with any investigations or enquiries we need to make. This includes giving us our nominated builder and your builder access to inspect, rectify or complete the work (unless you have reasonable grounds to refuse access).
- Do not make any admissions, offer, promise or payment in connection with the claim.
- Keep us informed about any information that changes after you have submitted this claim.

When to use this claim form

This claim form should be used by homeowners when the builder has died, disappeared or is insolvent or, for Certificates of Insurance issued on or after 1 July 2015, where the builder fails to comply with a Tribunal or Court Order.

NOTE: If the domestic building insurance policy was issued before **31 May 2010**, the VMIA will NOT be the insurer and you will not be able to use this form. Please visit our website for information about how to identify who the insurer is, www.dbi.vmia.vic.gov.au

Recovery from others

If we pay a claim, we are entitled to be subrogated to your rights (that is, your rights to claim against another party will be transferred to us) to recover against any other party (including your builder, contractor, kit home supplier, or liquidator or administrator of their estate) for the amount paid by us.

You must not limit or exclude your rights against a party from whom you might otherwise be able to recover in respect of your loss or damage. If you do, our liability to you is reduced to the extent that we can no longer recover from that other party as a result of your actions.
